Adjournment and Refreshment

CONGRATULATORY MESSAGES

Congratulations and well done to all prize winners. This is indeed a great achievement to celebrate.

The award is a well-deserved recognition of your effort in striving for academic excellence. Wishing you all the best for your future career.

Prof Chu Wan Loy

Dean, School of Postgraduate Studies
BSc (Hons) (UKM), PhD (UM)

To all award and prize winners, congratulations on your outstanding achievement! We all know it's never an easy quest. It's less about luck and much, much more about the persistent hard work. For all the times of late night studies and the many sacrifices of enjoyment, your reward is finally here.

We know that it has been a struggle but in reality, in our hearts and mind, we always believed that you are destined for success. Your journey in your profession is just beginning, there will be more struggles but amidst those paths of struggles, there are flowers at different stages of bloom waiting for you to pick and cherish.

I would like to thank your family and friends as I believe they have provided you with a lot of support throughout your journey. I would also like to give special thanks to faculty who have not only served as teachers but as mentors and friends.

Once again, congratulations on your impressive performance and the world celebrates with you!

Prof Nafeeza Bt Hj Mohd Ismail

Dean, School of Medicine
PhD (Pharmacology) (UKM), MBBS (UM), PMP

It gives me great pleasure to congratulate all recipients of awards and prizes at this year's Prize Presentation Ceremony. You are here today because you have distinguished yourselves with exceptional performances in your studies, research, and community service. As we recognise and celebrate your outstanding achievements today, I would also like to highlight that there have been many other celebrations of success and recognition bestowed upon our students by independent distinguished organisations throughout the year. The University is incredibly proud of all our students' achievements.

As we celebrate your awards and prizes today, we look forward to celebrating your contributions to society as you embark on your careers as healthcare professionals. As celebrated high achievers, we expect you to lead your professions in enhancing the quality of care for the public, and enrich the lives of the people you care for. I wish you every success for the future.

Prof Allan Pau Kah Heng

Dean, School of Dentistry

BDS (Lond), MSc (Lond), DDPH RCS (Eng), PhD (Lond), FDS (DPH), RCS (Edin), FHEA

My heartiest congratulations to all recipients of awards and prizes at this Prize Presentation, that is held in conjunction with your graduation at the Convocation on 3 November 2018. After all your hard work, this Presentation is a moment to recognise your outstanding achievement.

May this award also give you encouragement to go further and higher, to another level in the next stage of your career journey. All the best!

A note to keep in mind: Remember the past, live in the present and look forward to the future. Finally, please stay in touch with us, as an IMU Alumnus!

A/Prof Mohd Zulkefeli Mat Jusoh

Dean, School of Pharmacy

B.Pharm.Sc (Hiroshima), M.Pharm.Sc (Hiroshima), PhD (Hiroshima), RPh

Congratulations to all the graduates who have received the well-deserved awards and prizes in conjunction with the Convocation Ceremony 2018. Remember the past, live in the present and look forward to the future! Your graduation be just the beginning of a lifetime of fulfilment for you, and I wish you the very best as you launch your career in your field of studies.

To quote Steve Jobs – “Stay hungry, stay foolish!” and keep an open mind to continue learning!

Prof Winnie Chee Siew Swee

Dean, School of Health Sciences
BSc (Hons) Dietetics, MSc, PhD (UKM)

Congratulations to all award and prize recipients! These honours are well-deserved acknowledgements of your hard work. You will be some of the brightest members of your respective professions and I encourage you to make full use of your talents to advance healthcare across the region and beyond.

You have made all of us at IMU proud and we look forward to seeing and hearing reports of your good work for many years to come, so do stay in touch.

Prof Michael Thomas Haneline

Director, Centre for Complementary and Alternative Medicine
BA, DC (SCU-LACC), MPH (CCHS)
