SAFETY & HEALTH POLICY

We value our students, patients and employees. We are committed to the provision of a safe and healthy environment. We want to increase accountability, performance monitoring, and to develop indicators and standards for benchmarking safety and health.

In line with this policy, IMU shall continuously improve on:

- Promoting safety and health awareness amongst staff, students, patients and employees.
- Provide a conducive and safe teaching, learning and working environment for all.
- Comply with all occupational safety and health laws and regulations.
- Provide adequate control of safety and health risks arising from daily operations, maintenance and renovation works.
- Establish and maintain a risk register and provide mitigation plans for improvement.

In upholding this policy, our students and employees shall:

- Learn, work safely, and maintain best practices in respect to safety and health at the institution.
- Report all hazardous conditions, accidents, and occupational safety and health issues promptly.
- Participate and support all Safety and Health programmes.
- Adhere to all safety rules and regulations of the institution.
