

The champions of the Pre-U category from Methodist College Kuala Lumpur.

Triumphant win

BY **MARK MATHEN VICTOR**

THE IMU Science Discovery Challenge 2017 (SDC2017) finale recently awarded Chung Ling High School and Methodist College Kuala Lumpur with the champion's title in the secondary school and Pre-U category respectively.

The annual science education

programme culminated in a finale where close to 700 people, including 75 teams from the School category and 78 teams from the Pre-U category nationwide, gathered at the IMU campus in Bukit Jalil for a day of exploration in the field of science.

The champions took home RM3,000, a trophy each, and a certificate of achievement.
