

MALAYSIA- KAZAKHSTAN TIE-UP

THE International Medical University (IMU) together with the International Medical College (IMC) has signed a Memorandum of Understanding (MoU) with three health institutions from Kazakhstan.

The agreement with the Kazakh National Medical University (KMU), LLP Kazakhstan's Medical University's Kazakhstan School of Public Health (KSPH) and LLP Education Clinical Centre will see opportunities in advancement of academic knowledge, training and professional development to potential students of their university and centre.

In addition, all five parties mutually agreed to exchange technology in medical and allied health fields, as well as the establishment of short courses by IMU and IMC professionals at KMU in Almaty.
