19	Bachelor of Nursing Science (Hons) – Post Registration Graduands		

A Brief History of IMU

20 years ago, it was clear that Malaysia was facing a serious shortage of doctors. Dr Kamal Salih, a visionary, and Dr Mei Ling Young, a social scientist with a strong interest in development, hit on a brilliant, simple idea – if young Malaysian students could not go out into the world to get the medical education they wanted and deserved, they would bring it to them.

And so the idea for the International Medical College (IMC) was born.

Kamal and Mei Ling roped in Dr Saidi Hashim, who had helped start the Universiti Sains Malaysia (USM)'s Medical School and Prof Ong Kok Hai, also a USM colleague, to help put the plan for the school together. They in turn invited two leading medical educationists – Prof Ron Harden and Prof Ian Hart to join the team.

The six of them then put together a unique model that would see medical students spend the first 5 semesters at the International Medical College (IMC) in Kuala Lumpur, before moving to any one of the Partner Medical Schools (PMS) around the world. It was a radical idea – a world's first – that changed the model for medical education. And in the process, helped build a better Malaysia.

The IMC curriculum was unique not just in its teaching and learning

methods, but also in the fact that it was designed to be universally accepted as a Phase 1 by some of the world's best medical schools. And its unique self-directed learning approach taught students to break away from teacher-dependent learning and to be responsible for their own learning.

In November 1992 – after only 2 years of intense planning and with five leading PMS on board – the IMC opened its doors to students in Jalan Selangor, Petaling Jaya.

The college was officially launched on 13 April 1992 by the then Education Minister, YB Datuk Amar Dr Sulaiman Haji Daud, demonstrating the full support of the Malaysian Ministry of Education and Ministry of Health.

Since 1993, there have been 32 cohorts of PMS students, totalling 2,519 in number. Today, IMU has 29 renowned PMS, which between them offer around 240 places a year to IMU in this exciting, innovative and transformational education model.

IMC Becomes the International Medical University

From 1992 to 1998, IMC focussed on Phase 1 of its medical programme – the building of its Medical Sciences programme – so that Malaysian students could transfer seamlessly to the PMS.

In 1995, IMC started two intakes, and by 1998, transferring approximately 68 students a year.

Everything changed dramatically, when in 1998, the Asian financial crisis struck. Fluctuating currencies and the massive depreciation of the Malaysian ringgit hit both parents and the Malaysian government, as they had been sending students abroad to study medicine. The scale of uncertainties was unprecedented.

To overcome the problem of potentially stranded students from our Phase 1 programme, IMC quickly put into place a Phase 2 programme to be done locally. It was the IMU MBBS.

The then Minister of Education, YB Dato Seri Mohd Najib Tun Razak, now Prime Minister of Malaysia, asked Kamal and Mei Ling to fast-track the setting up of IMC's Clinical School to help solve the problems of parents as well as the government-sponsored students. IMC was invited to become a university thereby being able to award its own degrees. IMU was born.

This had vast implications for IMC – upon completion of their Phase 1, students would have a choice to transfer to a PMS or to the Clinical School to complete their education locally.

Again, with the help of Prof Ron Harden and Prof Ian Hart, both who

already had key roles in establishing the IMC, and senior medical deans Prof Michael Orme of the UK, Dr John Ruedy of North America and Prof Ian Simpson of New Zealand, collectively representing UK, North America and Australasia, the curriculum for Phase 2 and the physical design of the Clinical School were drawn up. A handful of clinicians, under the inspiring leadership of Prof John Joseph Bosco, (scheduled to be the Foundation Dean of the Clinical School), fleshed out the modern, innovative curriculum with eight outcomes, the Phase 2 curriculum. This curriculum incorporated the most forward-looking aspects of medical curricula.

The IMU Clinical School, comprising its curriculum, building and staff recruitment was completed in record time – just one year.

On 4 February 1999, IMC was granted university status and became the International Medical University (IMU), thus providing students the additional option of reading the whole medical degree in Malaysia, graduating with the IMU MBBS. With this, IMU also became the country's first private medical college to be upgraded to a university.

On 20 September 1999, the IMU Clinical School welcomed its first batch of 46 medical students. The School was located on the grounds of the Seremban Hospital, now Hospital Tuanku Ja'afar. In 2001, just 3 years after launching the programme, the IMU MBBS programme earned accreditation from the National Accreditation Board.

IMU then went on to establish teaching relationships with several other hospitals, the result of which was that IMU MBBS students were exposed, over the course of their degree, to the full spectrum of primary, secondary and tertiary care. The implementation of the "Senior Clerkship" programme

when the student in their final semester behaves like a houseman is one of the distinguishing features of the IMU MBBS programme, and one that has contributed significantly to the quality of the IMU medical graduate.

100% Medical and Healthcare Education Specialist

Well before the development of the IMU MBBS programme, the IMC was already exploring ways in which it could expand its healthcare education offering.

It introduced a twinned Pharmacy programme with University of Strathclyde in 1996, its own Bachelor of Pharmacy programme in 2004 and dentistry in 2008, which follow the IMU's unique model – a shared Phase 1 programme, with the option to complete their degree in IMU, or continue to any of their Partner Schools around the world.

Believing that health is holistic, IMU introduced the Chiropractic programme in 2010, the first of its kind in Southeast Asia. The IMU Chiropractic programme features an evidence-based curriculum, meaning the material that is taught is derived from research findings as much as possible.

IMU then introduced the Chinese Medicine programme in February 2011, where students are required to learn the basic medical sciences alongside clinical practices of Chinese Medicine. This integration is important as it combines the best of both types of medicine; students adopt and apply a scientific and an evidence-based approach to Chinese Medicine.

Completing its offering of medical and healthcare programmes are other clinically-based health professions like Nursing, Nutrition and Dietetics, and Psychology as well as non-clinical

health programmes such as Medical Biotechnology, Biomedical Science, Nutrition and Pharmaceutical Chemistry.

Since 2004, IMU has been offering postgraduate programmes, their MSc and PhD by research. And in September 2011, IMU welcomed the pioneer batch of students enrolled in the first postgraduate taught programme in IMU, the MSc in Public Health. Another postgraduate programme, MSc in Analytical and Pharmaceutical Chemistry, was introduced in September 2012.

Despite the variety, the different programmes share the same philosophy – to produce thinking students who are lifelong learners. IMU seeks to widen access to healthcare education, with courses that are both progressive and innovative. Its aim: to grow into a centre of healthcare educational excellence in the Asia-Pacific region.

Moving Into Healthcare

In January 2010, IMU took a bold step in its plan to be a holistic healthcare provider, with the opening of the IMU Oral Health Centre. This marked a major breakthrough for the University – for the very first time, IMU was receiving and treating real patients.

This was quickly followed by the opening of the IMU Chiropractic Centre in May 2010, the IMU Medical Clinic in July 2010 and the IMU Chinese Medicine Centre in November 2010.

Together, the four clinics form the IMU Healthcare Centre, which is unique in that it brings the disciplines of allopathic (western) medicine under one roof beside those of traditional and complementary medicine, offering western medicine, dental services, nutrition and dietary and psychological advice, alongside chiropractic and Chinese medicine services.

1

- 1 The International Medical College was officially launched on 13 April 1992.
- 2 In 1993, the pioneer batch of 75 students were enrolled in the medical programme.
- 3 On 20 April 1998, IMU received an invitation to become a university.
- 4 The pioneer batch of 30 students was enrolled in the IMU Chiropractic programme on 22 February 2010.
- 5 IMU Healthcare offers Chiropractic and Chinese Medicine, Dental and Medical services as well as Psychological, Nutritional and Dietary advice and counselling.
- 6 The IMU Master of Science in Public Health – the first ever postgraduate programme in Public Health offered by a private university – received its pioneer batch of students on 5 September 2011.

The Healthcare Centre serves as a teaching site for IMU students, and plays an important role in educating future healthcare professionals who understand the importance and benefits of offering holistic healthcare services. It also allows IMU to extend the learning experience, beyond that already offered by its partnerships with Ministry of Health hospitals and clinics, and helps attract quality faculty. It is both a teaching and service innovation.

Research Focused on Medicine and Medical Education

Moving into research was a natural progression in the evolution of the IMU in its continual quest for academic excellence. IMU thrust areas for research are: environmental health, cancer biology, stem cell research, active bio-molecules and cellular mechanisms, pharmaceuticals and drug delivery systems, and natural compounds and nutraceuticals.

While medical and healthcare-related research continues to be an area of focus, IMU is also making progress in a new area of research – that of medical education.

Since 2000, when research activities first started, IMU has initiated 947 research projects, consisting of a mix of undergraduate, graduate and faculty research. From 2008 – 2011, it published 568 papers, of which 281 (49.5%) were in ISI papers. These were in respected journals such as the Lancet, British Medical Journal, Cochrane Data Base Systematic Reviews, Human Pathology, to name a few.

IMU's research efforts are expected to be further enhanced when its proposed Institute of Research, Innovation and Development (IRID) comes onstream, which will elevate the University as a significant player in biomedical and clinical research.

An Engaged University

One of IMU's core values is that to be good healthcare professionals, students must be moulded to be good human beings. And this includes being aware of, and sensitive to, the needs of the communities in which they live and work, hence IMU's tradition of active community engagement.

Through a comprehensive community engagement programme, students, faculty and staff work with local communities, particularly those in need, to build therapeutic relationships, share healthcare knowledge through treatment and counsel and run educational programmes. Amongst these are IMU's long-running "Kampung Angkat" (village adoption) programme, its "Health and Wellness Programme", its IMU Cares programmes and its regular Health Awareness Days.

Looking Forward

Today IMU is an integrated medical and healthcare institution, offering education, healthcare and research in partnership with some of the world's most respected individuals and universities in the field of medicine and healthcare. It is Malaysia's only university focused a hundred percent on medical and healthcare education, and continues to play a significant role in nation-building.

It has remained focussed on the central philosophy that guided its founders – access to quality medical education, innovation and imagination as its cornerstone, and continuous reflection leading to insight to guide IMU into the future.

Its success stems from a lot of hard work, and the belief that everything that IMU does must draw from its core ethos of Innovation, Imagination and Insight. Innovation, to be creative

and productive and to be focused on continuous innovation, Imagination to be realistic about what can be achieved and measured, and Insight to be focussed on productivity and responsiveness, to be acceptable to those IMU serves.

In January 2011, IMU launched its 5-year Strategic Plan – ASPIRE, which will see the University work towards becoming a truly Learning Organisation, as envisaged by Peter Senge.

Forging ahead, IMU will have to develop an academic health centre where all the three components of education, research and healthcare will add value to each other. This will also differentiate IMU.

As it celebrates its 20th Anniversary, IMU continues to be focussed on its most important role – to help mould individuals to be better people, and to be better medical and healthcare professionals.

Our Vision

IMU shall be an innovative global centre of excellence in learning and research, supporting a community of scholars and professionals committed to serving society, promoting the development of students to reach their true potential in becoming competent, ethical, caring and inquiring citizens; and visionary leaders.

IMU is committed to academic freedom and the principles of equal opportunity in the pursuit and application of knowledge, the highest standards of intellectual, educational and research productivity; and the establishment of a learning organisation that respects the individual.

Our Quality Policy

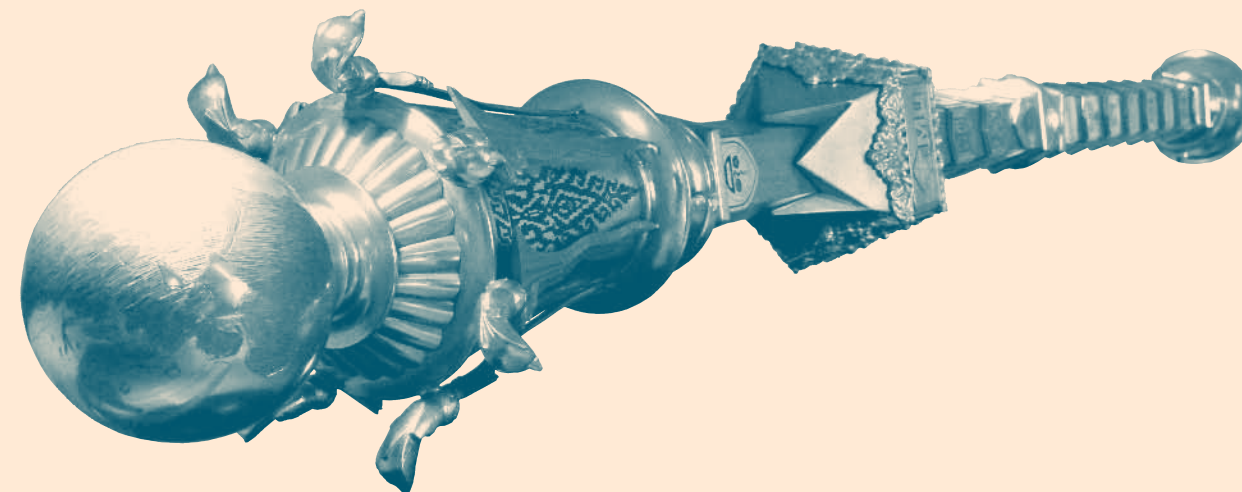

IMU aims to be an innovative centre of excellence in learning and research, producing competent, caring and ethical professionals who are lifelong learners. It is committed to achieving the highest standards of intellectual, educational and research productivity.

Our Logo

The initials IMU represent the name of the University. The strips on the "I" represent the three pillars of Innovation, Imagination and Insight. The snake and staff are the traditional symbols for medicine, which is the educational focus of the University. The colour white represents integrity. The globe stands for international connections: the IMU as a member of the International Medical Consortium, both in terms of partnerships with many well-known foreign universities, as well as its international faculty and student body. The tilted square represents the mortar board, which is the symbol of academia in relation to the community. The colour blue, in its two shades, stands for peace and harmony.

The University Mace

The mace is the symbol of authority of the International Medical University (IMU). The globe at the top symbolises the international nature of the University. Gold denotes the quality of education provided by the IMU.

The seven *kris* (traditional Malay weapon) represent the nations participating in the International Medical Consortium. The songket motif symbolises the country's cultural tradition. The *bunga*

raya (hibiscus) is Malaysia's national flower. The five facets of the mace signify the five continents of the world.

The second ring consists of the logo of the IMU to signify its new charter as a University. Below the second ring of the mace are the logos of the original five Partner Medical Schools which helped start this innovative medical programme.

The original International Medical College emblems are etched on each side of the brace in the third ring of the mace. Below the third ring are the logos of the international Partner Universities involved through their medical schools in the International Medical Consortium. The bottom part of the mace is carved in the shape of the Kelantanese *gasing* (spinning top), another symbol of Malaysian culture.

The Chancellor and Pro-Chancellor

Chancellor

YBhg Dato' Seri Dr T. Devaraj
DGNP, DSPN, DJN, KMN, BCK, PKT
MBBS (S'pore), FRCP (Edin), Dip Pall Med (Cardiff), FAM (Mal)

Pro-Chancellor

YBhg Dato' Dr Amir Abbas
(DPMP), Dr Med Sc (Hon) (UKM), FRCP, DTM&H (L'pool),
FAMM, MBBS (UM – S'pore)

List of IMU Distinguished Fellows, Honorary Doctor of Medicine, Honorary Doctor of Science and Honorary Doctor of Medical Education

1996
**Prof Ronald
McGlashan Harden**
Distinguished Fellow

1998
Prof John S Beck
Distinguished Fellow

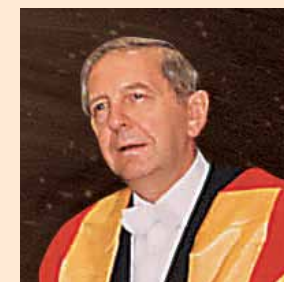

1999
**YABhg Toh Puan
Datuk Hajjah Dr Aishah Ong**
Distinguished Fellow

1999
**Prof Michael
John Hamlin**
Distinguished Fellow

2000
Dr Ian Ritchie Hart
Distinguished Fellow

2001
**Prof Sir John
Arbuthnott**
Distinguished Fellow

2001
Dr Joseph S Gonnella
Distinguished Fellow

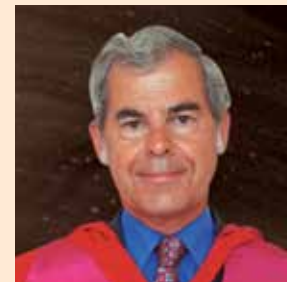

2002
**YBhg Tan Sri Datuk Amar
Dr Sulaiman Haji Daud**
Honorary Doctor of Medicine

2003
**YBhg Tan Sri Datuk Seri
Dr Chong Hon Nyan**
Honorary Doctor of Science

2003
**YABhg Tun Dr Siti Hasmah
Bt Haji Mohd Ali**
Honorary Doctor of Medicine

2004
Prof Michael Orme
Honorary Doctor of Medicine

2006
Prof Brian Henderson
Honorary Doctor of Science

2007
Sir Patrick Forrest
Honorary Doctor of Medicine

2007
Prof John Ruedy
Honorary Doctor of Medicine

2007
Prof Ian Simpson
Honorary Doctor of Medicine

2007
Prof John Simpson
Honorary Doctor of Medicine

2007
Prof Terry Healey
Honorary Doctor of Science

2007
Prof Brian Furman
Honorary Doctor of Science

2009
**YABhg Tun Dr Mahathir
Mohamad**
Honorary Doctor of Medicine

2012
Prof Ronald M Harden
Honorary Doctor of
Medical Education

2012
Prof Joseph S Gonnella
Honorary Doctor of Medicine

2012
Prof Roger Green
Honorary Doctor of Medicine

2012
Prof John Marley
Honorary Doctor of Medicine

2012
**YBhg Tan Sri Dato'
Dr Yahya Awang**
Honorary Doctor of Medicine

Message from the President

YBhg Tan Sri Dato' Dr Abu Bakar Suleiman
 MDBS (Monash), MMed (S'pore), DMedSc (UKM), DSc Hon (UPM), PhD Hon (UMS),
 FRACP, FAMM, FAMS, FACP (Hon), FRCP, FRCPE, FRCP (Glasgow), FRCPI, FRCSI (Hon),
 FRCSE (Hon), FAFPM, FASc, AMP (Harvard)

Convocation ceremonies are joyous occasions when the university celebrates the academic achievements of young scholars. As graduates, you will be receiving your degree today. Now is the time to celebrate all of your hard work and feel proud of your achievements today. Sharing in this sense of pride are staff of the University, your families and friends who provided the emotional, practical and financial support which has contributed to your success.

Graduands, you must be proud to be a graduate of this University, which has acquired a remarkable reputation over the years. Every year is eventful for the University. This year is extra special as it marks the University's 20th Anniversary with some of our students making us proud of their academic achievements. This is the year where an IMU Nursing student, Chakravathi a/I Elangovan, obtained Excellent (Cemerlang) results for his Nursing Board examinations, the first Nursing student from this University who has achieved such results. At the same time, all seventeen of our Nursing students graduating today have passed their Nursing Board examinations. This is the fourth consecutive year IMU students have secured a 100% passes in this examination. As for the Nutrition and Dietetics students, Chan Chee Shan and Lau Chin Chin, participated and won the second and third prize respectively in the poster presentations at the recent Malaysian Dietitians Association (MDA) Conference. At the same event, another IMU student, Monakshee Jundoo was awarded the Best Dietetic Student Prize for IMU.

2012 also sees the introduction of two new programmes: an undergraduate programme in Nutrition and a post-graduate programme in Analytical and Pharmaceutical Chemistry. Both programmes had its inaugural intake on 3 September and both degrees are awarded by IMU.

Graduands, you are now part of the University's alumni. All of you will be following the footsteps of hundreds of previous graduates who have graduated before you, who have distinguished themselves as lecturers, researchers, healthcare professionals, government servants and entrepreneurs. You are all our global ambassadors for IMU and continue to reflect the standards of excellence that have become our signature.

Now is the time to look forward to the next chapter of your life and make an impact in the world by grasping new opportunities, defining yourself and your place in the world, and making a difference to those who will look to you for leadership and support. It is hoped that the grounding achieved through the IMU programmes will enable you to be true healthcare professionals who will continue the process of continuous learning to ensure that you become effective practitioners for the benefit of patients or clients and the community. More importantly you must behave in a professional manner at all times. You must be honest, responsible, accountable and ethical in all your actions. As healthcare professionals, you must be committed to protect the public's interest through the strict observance of codes of professional practice. A commitment to lifelong learning and continually improving practices is also part of this professionalism.

Graduands, yesterday you were students, today you become graduates, and tomorrow you have the opportunity to become leaders. The University is deeply proud of all our graduates here today and what all of you will now do for the world. On behalf of the entire University, I would like to wish you a truly happy, rewarding and fulfilling life ahead. Congratulations.

YBhg Tan Sri Dato' Dr Abu Bakar Suleiman
 President

Convocation Proceedings

Saturday, 8 September 2012
Auditorium 1 & 2, 4th Floor, IMU Bukit Jalil Campus

Session One

7:15am	Arrival of Parents, Guests and Faculty	Conferment of the Bachelor of Nursing (Hons) (NU1/08) (IMU)
8:00am	Arrival of Senate Members, the Provost and Members of the Board of Governors	Conferment of the Bachelor of Nursing Science (Hons) Post Registration (NS1/09, NS3/09 & NS2/10) (IMU)
	Arrival of Chancellor	Presentation of the Certificate of Completion for Phase 1 of the Medical Sciences Programme
	Official Photography for Graduands Only (Session 1)	Presentation of the Certificate of Completion for Phase 1 of the Dental Programme
	Guests to be Seated	Presentation of the Returning Graduates from Partner Universities
8:30am	Procession of PhD Graduands, Master of Science Graduands, Medical Graduands (C1/10), Medical Returning Graduates, Bachelor of Medical Sciences Graduands (I2/11), Bachelor of Nursing (Hons) Graduands (NU1/08), Bachelor of Nursing Science (Hons) Post Registration Graduands (NS1/09, NS3/09 & NS2/10), Medical Sciences Graduands (ME1/10) and Dental Graduands (DT1/10)	Presentation of Dr Joseph Bosco Memorial Gold Medal
	Academic Procession and Grand Procession	Presentation of Dr Saidi Hashim Memorial Gold Medal
	Recital of Doa	Presentation of Tun Zahir Merit Award
	Announcement of the Purpose of the Congregation by the Provost	Announcement of the Dean’s List
	Official Opening of the Convocation Ceremony by the Chancellor	Address by the Student Representative of the Convocating Class
	Address by the Provost of the IMU	Adjournment
	Conferment of the PhD (IMU)	9:45am Procession Exits
	Conferment of the Master of Science (IMU)	Reception
	Conferment of the MBBS (C1/10) (IMU)	
	Conferment of the Bachelor of Medical Sciences (Hons) (I2/11) (IMU)	

Session Two

9:30am	Arrival of Pro-Chancellor	Conferment of the Bachelor of Science (Hons) Pharmaceutical Chemistry (PC1/09) (IMU)
9:45am	Official Photography for Graduands and Members of the Stage Party (Session 2)	Presentation of the Certificate of Completion for Part A of the Master of Pharmacy Programme (MQ1/11)
10:15am	Guests to be Seated	Presentation of the Certificate of Completion for Part A of the Pharmacy Programme (BP1/10)
10:45am	Procession of Bachelor of Science (Hons) Psychology Graduands (PS1/09), Bachelor of Science (Hons) Biomedical Sciences Graduands (BM1/09), Bachelor of Science (Hons) Medical Biotechnology Graduands (MB1/09), Bachelor of Science (Hons) Nutrition and Dietetics Graduands (ND1/08), Bachelor of Science (Hons) Pharmaceutical Chemistry Graduands (PC1/09), Master of Pharmacy (Hons) Returning Graduates, Pharmacy Graduands (MQ1/11), Nutrition and Dietetics Graduands (ND1/10) and Pharmacy Graduands (BP1/10)	Presentation of the Certificate of Completion for Part A of the Nutrition and Dietetics Programme (ND1/10)
	Academic Procession and Grand Procession	Presentation of the Board of Governors Gold Medal
	Announcement of the Purpose of the Congregation by the Provost	Presentation of Tun Zahir Merit Award
	Address by Prof Peter Pook, Executive Dean, Faculty of Medicine and Health	Announcement of the Dean’s List
	Conferment of the Bachelor of Science (Hons) Psychology (PS1/09) (IMU)	Presentation of Returning Graduates from Partner Universities
	Conferment of the Bachelor of Science (Hons) Biomedical Sciences (BM1/09) (IMU)	Presentation of the Principal’s Prize from the University of Strathclyde
	Conferment of the Bachelor of Science (Hons) Medical Biotechnology (MB1/09) (IMU)	Address by the Student Representative of the Convocating Class
	Conferment of the Bachelor of Science (Hons) Nutrition and Dietetics (ND1/08) (IMU)	Address by the Pro-Chancellor
		Closing by the Pro-Chancellor
		<i>Negaraku</i>
12:00pm	Procession Exits	
	Reception	

The Graduands

September 2012

PhD in Medical and Health Sciences (By Research) Graduands

- Voon Phooi Tee

Master of Science in Medical and Health Sciences (By Research) Graduands

- Jason Chin
- Tan Siun Chee
- Lee Ting Wei

Bachelor of Medicine and Bachelor of Surgery, MBBS Graduands

DR JOHN JOSEPH BOSCO MEMORIAL GOLD MEDAL

This award is given in memory of the late Dr John Joseph Bosco who played an instrumental role in the development of the IMU Clinical School.

The gold medal is presented to **Hiew Litt Yee** who achieved the highest marks in the Medical Convocating Class of C1/10.

MBBS (IMU) WITH DISTINCTION

- Hiew Litt Yee
- Justin Zon-Ern Lee
- Wong Chui King

List of Graduands for C1/10

- Abirami Kunaseelan
- Alvina Lau Voon Na
- Barath Chidambar a/l Dr Subramanian

Cert EModeration (UK)

A/Prof Srikumar Chakravarthi
Associate Professor
MBBS (TN Med), MD (Pathology) (Madr),
Dip Mgmt, eMBA (Hosp Mgmt)

Dr Wong Shew Fung
Senior Lecturer
BSc (Hons) Biomedical Science (UPM),
MSc (Chemical Pathology)(UPM),
PhD (IMU)

Dr Afshan Sumera
Lecturer
MBBS (Sindh), DTCD, MPhil (Pathology)

Dr Arun Kumar Basavaraj
Lecturer
MBBS (B’Lore), MD (Path) (R Gandhi
Health Scis), DNB (Path)

Dr Chan Li Li
Lecturer
BSc (UM), MSc (UM), PhD (IMU)

Dr Kenny Voon Gah Leong
Lecturer
BSc (Hons) (UPM), MSc (UPM),
PhD (IMU)

Dr Purushotham Krishnappa
Lecturer
MBBS (B’lore), MD (Pathology)
(R.Gandhi Health Scis.)

Dr Sunil Pazhayanur Venkateswaran
Lecturer
MBBS (B’lore), Dip in Clinical Pathology,
DNB (Pathology)

Ms Hemavathy Subramaiaam
Lecturer
BSc Biotechnology (UNISEL),
MSc Immunobiology (UPM)

Mr Wong Siew Tung
Lecturer
BSc (Hons) Biomedical Science,
MSc (Molecular Biology) RE

Ms Yap Fei Ling
Lecturer
BSc in Biomedical Science (UM),
MSc Pathology (UM)

Ms Chung Pooi Yin
Lecturer
BSc Microbiology (UKM), MMedSc (UM)

Division of Psychology (& Behavioural Sciences)

Dr Ke Guek Nee
Acting Head and Lecturer
BA Psychology (UKM), MA Psychology
(UKM), PhD (Psychology) (UKM)

Dr Abdoul Aziz Fall
Lecturer
Bac of Human Sciences (IIUM), Master
of Human Sciences (IIUM), PhD (IIUM)

Dr Yeap Kah Min, Reiko
Lecturer
BA Psychology (New Br), MSc (Clinical
& Health (Wales), PhD (UM)

Mr Alexius Cheang Weng Onn
Lecturer
BSc (Hons), MSc (Calif State)

Ms Chen Lee Ping
Lecturer
BCouns (UM), MCouns (UM), KB, PA

Mr Saravanan Coumaravelou
Lecturer
BA in Psych (Pondicherry), MA (Annam),
MPhil (S Ramachandra Med),
CHT (Clinical Psychologist and
Hypnotherapist) (Sing)

Ms Satpal Kaur
Lecturer
BA in Psych, MA in Psych (B’tullah),
MPhil in Cl. Psych (B’tullah)

Cik Zuhrah Beevi binti Kunji Ahmad @ Yacob
Lecturer
BHSc (Psych) (IIUM), MHSc (Psych)
(IIUM)

Clinical School

A/Prof Zainurrashid Zainuddin
Dean and Associate Professor
