# Congratulatory Messages

Doing well in a medical course is not easy, as the competitions are stiff. Graduating at the top of the medical class is indeed a real achievement!

It is my great pleasure to congratulate all the award recipients in the School of Medicine: Well done!

We as your teachers are very proud of you, and expect you to scale greater heights in your career as doctors.

Let me quote **Sir Winston Churchill** who said:  
*"Success is not final, failure is not fatal:  
it is the courage to continue that counts".*

Another quote from **John Wooden**: *"Success comes from knowing that you did your best to become the best that you are capable of becoming."*

We trust that you will continue to strive to do even better, and you will always fly the IMU flag high!

## **YBhg Prof Dato' Dr (Mrs) Kew Siang Tong**

Dean, School of Medicine  
MBBS (Sing.), MRCP (UK), FAMM, FAMS,

- it takes courage, resolve and tenacity  
All you have got to do is plant that seed in your  
mind, care for it, work steadily toward your goal,  
and it will become a reality"*

## **Earl Nightingale**
