Congratulatory Messages

Doing well in a medical course is not easy, as the competitions are stiff. Graduating at the top of the medical class is indeed a real achievement!

It is my great pleasure to congratulate all the award recipients in the School of Medicine: Well done!

We as your teachers are very proud of you, and expect you to scale greater heights in your career as doctors.

Let me quote **Sir Winston Churchill** who said:
*"Success is not final, failure is not fatal:
it is the courage to continue that counts".*

Another quote from **John Wooden**: *"Success comes from knowing that you did your best to become the best that you are capable of becoming."*

We trust that you will continue to strive to do even better, and you will always fly the IMU flag high!

YBhg Prof Dato' Dr (Mrs) Kew Siang Tong

Dean, School of Medicine
MBBS (Sing.), MRCP (UK), FAMM, FAMS,

*"Achievement requires more than a vision
- it takes courage, resolve and tenacity
All you have got to do is plant that seed in your
mind, care for it, work steadily toward your goal,
and it will become a reality"*

Earl Nightingale
