- Supportive maintenance team and wardens

Accommodation that supports your academic success

ACCOMMODATION PLANNING CHECKLIST

- ✓ Consider a managed student accommodation option for the first year.
- ✓ Research rental accommodation availability from EOS Stay database.
- ✓ Budget friendly accommodation, eg: include amenities and fully-furnished.
- ✓ Consider a serviced student accommodation with friendly team.
- ✓ Consider a fuss-free accommodation that includes weekly housekeeping and adhoc maintenance.

EOS STAY BOOKING GUIDELINES:

1. Submit the form via email at least 2 months before commencement of semester.

2. EOS Stay will allocate the room option by availability, expected within 2 weeks.

3. Proceed with payment by given deadline and EOS finance will verify it.

4. Update check-in date and visa status 4 weeks before course commencement of semester.
Earliest check-in is 3 days before commencement.

5. The unit details will be revealed nearer to the confirmed check-in date.
