

ACUPUNCTURE

Master of Science

KPT/JPT(R/721/7/0071)03/2027 | MQA/SWA8570

Be a modern-day professional in 2,500-year-old holistic treatments

Acupuncture is a rich and evolving field. Those who study it engage in a lifetime of discovery, self-improvement and fulfilment. Deepen your knowledge and be at the forefront of this profession through a comprehensive perspective of both classical and theoretical foundations. Adopting an evidence-based practice model, with adherence to governing regulations, this programme is approved under the Ministry of Higher Education (MOHE) and Malaysian Qualification Agency (MQA) and is jointly designed with Shanghai University of Traditional Chinese Medicine (SHUTCM). Equip yourself to be a leader in holistic and patient-centred healthcare.
