

# ENDODONTICS

Postgraduate Diploma

KPT/JPT(R/0911/7/0003)05/2029 | MQA/SWA12162

## Delve deeper into the Science and Art of Endodontics

Master the complexities of root canal therapies and other advanced endodontic procedures to become the best dentist possible. The endodontic programme at IMU will provide you with knowledge of pulpal and periapical pathophysiology, the selection of suitable dental materials and instruments, the fundamental reasoning behind clinical techniques, and the management of moderately challenging endodontic cases. You will also acquire valuable practical experience and receive instructions from accomplished and experienced faculty. Join us as we pioneer in dental care research, technology, and expertise.

### Degree / Duration

Postgraduate Diploma in  
Endodontics (IMU)  
**1 year (Full-time)**  
**2 years (Part-time)**

### Commencement

May

### Programme Structure

This programme is designed for full-time and part-time students with respective flexible options. It covers 6 modules with a total of 30 credit hours to be delivered over 1 year. Each module takes approximately 6 weeks including 1 week of on-site activities at IMU School of Dentistry. For clinical activities, students have the choice of treating patients at the IMU Oral Health Centre or in their own clinics.

### Modules

- Fundamental Science in Endodontics
- Endodontic Management of Single-Rooted Teeth
- Endodontic Management of Multiple-Rooted Teeth of Moderate Difficulty
- Rotary Endodontics
- Management of Endodontic Cases Requiring a Multidisciplinary Approach
- Management of Failed Endodontic Cases in Single-Rooted Teeth and Endodontic Mishaps

## ◆ Entry Requirements

- Bachelor of Dental Surgery or equivalent qualification
- Registered under Division 1 of the Malaysian Dental Register and holds current Annual Practising Certificate (APC); or
- Registered with the dental regulatory body in another country and eligible to be granted a Temporary Practising Certificate (TPC)
- Eligible to apply for an APC or TPC (whichever is applicable) that is specific to the IMU Oral Health Centre (OHC) and eligible to attend clinical sessions in the Centre during the study period of the programme
- A minimum of one (1) year clinical practice after basic degree
- Able to demonstrate an interest in Endodontics with appropriate baseline knowledge and skills in general dentistry
- Health requirements as required by IMU

## ◆ English Language Requirements

### **For International Students (only one required)**

1. IELTS : Band score 5.0; or
2. TOEFL (iBT) : Overall score of 42; or
3. Cambridge English : Advanced (CAE) : Overall score of 154; or
4. Cambridge English : Proficiency (CPE) : Overall score of 154; or
5. Cambridge Linguaskill : Overall score of 160; or
6. Pearson Test of English (PTE) : Overall score of 47;

The following categories of students are exempted from the above requirements:

1. International students from countries in which English is the first language.
2. International students who graduated from any Malaysian or other institutions where the curriculum is delivered in English.
