

PHARMACY PRACTICE

Master

KPT/JPT(R2/0916/7/001)03/2029 | MQA/SWA02796

Advance your knowledge and be a leader in pharmacy practice

IMU's Master in Pharmacy Practice offers a wealth of advantages for pharmacists seeking to advance their careers and impact the healthcare arena. Comprising Clinical Pharmacy, Social & Administrative Pharmacy, Pharmacy Management or Clinical Research, this programme will equip you with specialised expertise in pharmacy practice and enable you to provide more comprehensive, patient-centred solutions. There will also be a research component that will help build your ability to think systematically and deep dive into an area of practice. Come open doors to career advancement and deliver excellence in pharmaceutical care.

Degree / Duration

Master in Pharmacy Practice (IMU)
1 year (Full-time)
2 – 6 years (Part-time)

Commencement

Mar / Sep

Assessment

Progress is evaluated using in-course assessments including:

- Case reports
- Critical reviews
- Assignments
- Projects
- Presentations

In the research project modules, the research progress, presentation of results, dissertation and its defence will be assessed. Progress towards achievement will be supported by tutors via interim and summative feedback using explicitly communicated criteria.

Entry Requirements

- A Bachelor's Degree in Pharmacy or its equivalent, with a CGPA of 2.75, as accepted by the University's Senate; or
- A Bachelor's Degree in the field or related fields or equivalent with a minimum CGPA of 2.50 and not meeting CGPA of 2.75, can be accepted subject to rigorous internal assessment; or
- A Bachelor's Degree in the field or related fields or equivalent with minimum CGPA of 2.00 and not meeting CGPA of 2.50, can be accepted subject to a minimum of 5 years working experience in the relevant field and rigorous internal assessment.
