

PROSTHODONTICS

Postgraduate Diploma

KPT/JPT(R/0911/7/0002)05/2029 | MQA/SWA12163

Gain in-depth knowledge to thrive in oral function and aesthetics

With the growing appreciation for quality dental care, this specialised diploma will equip you with the knowledge and skills to make a meaningful impact in communities. The curriculum is designed to enhance your knowledge and skills in providing evidence-based and patient-centred prosthodontic treatment of partial and complete edentulism. Under the close guidance and supervision of eminent and experienced faculty, students will enjoy full access to the IMU Oral Health Centre and library facilities. Come stay at the forefront of dental technology, techniques and care.

Degree / Duration

Postgraduate Diploma in
Prosthodontics (IMU)
1 – 2 years (Full-time)
2 – 4 years (Part-time)

Commencement

Jul

Programme Structure

This programme has been developed for full-time and part-time students with the respective flexible options. It covers 6 modules in 2 semesters (17 weeks each) with a total of 30 credit hours to be delivered over a period of 1 year. Duration of each module is approximately 6 weeks including 1 week of compulsory on-site activities in IMU School of Dentistry. For clinical activities, students can treat patients at the IMU Oral Health Centre, or in their own clinics (conditions apply).

Modules

- Module 1 - Fundamentals of Prosthodontics and Patient-centered Care
- Module 2 - Partial Edentulism 1
- Module 3 - Partial Edentulism 2
- Module 4 - Complete Edentulism
- Module 5 - Multidisciplinary Approach towards Managing Prosthodontic Cases
- Module 6 - Management of Complications/Failures in Prosthodontics

◆ Teaching and Learning Methods

Face-to-face Lectures

Task-based Learning

Online Learning

Practical Hands-On

Seminars

Clinical Sessions
