

PSYCHOLOGY

KPT/JPT(R3/311/6/0013)09/2027 | MQA/A8177

Unlock the wonders of the human mind

IMU's 3-year Psychology programme lets you discover the intricate workings of thought processes, emotions, and motivations. Developed to meet international standards, a key feature of the programme is a 12-week attachment with industry partners or NGOs where students will be placed in stimulating academic environments. You will receive valuable opportunities to observe psychology being applied in real-life and simulations, cultivating empathy, knowledge, and a profound appreciation for the complexities that make us human.

Degree / Duration

Bachelor of Science (Hons) in Psychology (IMU)
3 years

Degree from Partner Universities
4 – 5 years

Commencement

Feb / Jul / Sep

Partner University

Australia

United Kingdom

- Training workshops
- Simulated interviews
- Final year project

Career Pathway

Psychology has become one of the most widely applicable disciplines. Due to its versatility, psychology is fast becoming one of the most sought after subjects among university students in the UK, the US and Australia. A degree in psychology opens doors to a variety of careers – from healthcare, advertising and human resources to administration, marketing, public relations, consultancy and sales. To be a certified psychologist, you will first need to complete your undergraduate degree followed by a postgraduate degree in a specialised field.

◆ Career Path for Psychologists

◆ Degree Recognition

IMU graduates are accepted both internationally and in Malaysia into Masters and PhD programmes. IMU Psychology graduates have been accepted into postgraduate psychology programmes in the United Kingdom, the United States of America, Australia, New Zealand, and Malaysia. The areas of postgraduate study include clinical psychology, health psychology, counselling, child and family psychology and industrial / organisational psychology. Our graduates have also gained employment in the Malaysian public health system, in both public and private tertiary institutions, in the non-government sector, human resources, the oil and gas sector and the United Nations.

◆ Our Alumni

Our alumni have embarked on diverse and promising career paths across various industries. Our graduates are a true testament to the versatility of their education, as they continue to excel in a wide range of professional healthcare fields. Scan the QR code to see where our graduates are today.
