Foundation in Science

Foundation in Science qualifications from other higher education institutions will be considered on a case by case basis for admission into the local IMU programmes.

Students with IMU Foundation in Science can apply into IMU programmes and programmes with selected credit transfer options, upon meeting the entry requirement eligibility. ** (Please refer to IMU Foundation in Science brochure for more details)

For admissions into the IMU Foundation in Science programme, students will need to have:

Pass SPM / O-Levels with minimum 5 credits in Mathematics, 2 Science subjects and 2 other subjects.

Note: Specific SPM / O-Levels requirements may be needed for admissions into IMU programmes.

English for Transfer to Partner School

Students are required to meet the prevailing IELTS requirements prior to transfers to the partner schools. The IELTS requirements will be advised by the IMU International Office.

English for Graduation

All applicants shall have attained a level of competency in English (if applicable) before Graduation.

Acceptance of International Qualification
