

Shaping Tomorrow's Healthcare Medical Experts

Hello.

**Welcome to IMU,
where we nurture your
dreams to be advocates
for better healthcare and
brighter futures globally.**

Build your future in an institution that ventures beyond just dispensing knowledge. At IMU, you'll be inspired, nurtured, and mentally equipped to take on the dynamic field of healthcare and medicine. For over a decade, we've guided thousands of students like you in reaching their dreams. But don't just take our word for it. Let the data do the talking.

Embark on a transformative journey at the School of Medicine, where excellence meets compassion, and tomorrow's medical leaders are nurtured today.

Welcome to the School of Medicine at the IMU, where our 30-year history reflects our commitment to excellence in Malaysian private medical education. Setting ourselves apart from renowned public medical schools, our institution distinguishes itself with a unique model designed to cater to your pursuit of Medicine in Malaysia or reputable institutions abroad, including the United Kingdom, Ireland, Australasia, and Canada. Aligned with international standards, IMU's Medical programme (MBBS) ensures that, should you transition to any of our 22 global partner medical schools, you'll be well-prepared for the practical challenges of clinical training.

Our MBBS programme is not only recognised by the Malaysian Medical Council (MMC) but also holds accreditation from councils in India, Pakistan, Sri Lanka, and Thailand. Our graduates have demonstrated excellence by undertaking advanced training in clinical specialties both locally and internationally.

Yet, beyond our commitment to academic excellence, we extend our dedication to personal and professional growth. At IMU, we are focused on shaping the future leaders of medicine, offering a comprehensive skill set that includes effective communication, digital proficiency, managerial finesse, leadership acumen, research conduct, problem-solving skills, and empathy. Join us on this transformative journey as we stand by you, fostering not only doctors but advocates for positive change in our esteemed industry.

Prof Dr Sharifah Sulaiha Syed Zainal

Dean, School of Medicine, IMU

MBChB (Glasgow), MOG (UKM), PGCert MedEdu (Dundee), AMM

The journey to becoming a compassionate healthcare professional extends beyond lecture halls. Campus life is where lifelong memories are made. IMU takes your entire experience into consideration, designing our campuses to ensure holistic growth. Here, learning is accompanied by laughter, and knowledge supported by collaborations, application and friendships that form lifelong bonds. Our campus is your vibrant hub where you'll find the rhythm to stay inspired. Here's a glimpse of the enriching experiences waiting for you:

- **Green Zone**
- **IMU Healthcare**
- **Indoor Game Studio**
- **Fully-equipped Gym**
- **Dance Studio**
- **Pandan Serai Cafe**
- **Recreational Student Lounge**
- **Medical Museum**
- **Research Labs**
- **Clinical Skills & Simulation Centre**
- **Multidisciplinary Labs**

Feel the vibes of Kuala Lumpur

IMU is just a short walk to the Sri Petaling and Bukit Jalil LRT stations, and it's your direct link to Malaysia's capital, affectionately known as Kuala Lumpur (KL). Feel the vibes of our captivating city, where tradition meets all things trending. Boasting a rich cultural tapestry, vibrant street markets, iconic landmarks, and foodie havens at every turn, you'll find something to do, 24/7. Its bustling streets showcase Malaysia's diverse population, multi cultures, and ethnicities.

KL is also a global hub for business, innovation, and education, making it an ideal base for a well-rounded academic journey. With its rich variety waiting to be explored, KL invites you to experience its energy, variety, and hospitality.

Your holistic new chapter begins here

Make meaningful, lifelong connections

We're not just dedicated to nurturing your dreams; we're here to help you cultivate lifelong connections with peers, esteemed alumni, and inspiring lecturers.

At IMU, we understand every student's journey is a unique and transformative experience. Your wellbeing and aspirations are our priority. That's why we've established our student support services that complement your academics throughout your exciting new journey. From sports to social clubs, cultural to religious societies, and whether you seek academic guidance, counselling, or career advice, our dedicated team will give you the support you need to thrive:

- **Sports and Social Clubs**
- **Cultural and Religious Societies**
- **Student Representative Council (SRC)**
- **New International Students Support**
- **Scholarships and Financial Assistance**
- **Accommodation and Disability Support**
- **Counselling and Mental Health Support**
- **Student Welfare, Insurance, and General Services**
- **Student Talent and Development**
- **Alumni Relations**

Beyond just an educational institution, IMU, is your partner in holistic and personal growth, dedicated to nurturing you to become a healthcare professional who is also the best version of yourself.

Bachelor of Medicine and Bachelor of Surgery (MBBS)

Duration | 5–6 years **Commencement** | Feb & Sep
Programme can be completed locally or abroad.

A path to hope, healing and opportunity

Be a graduate who goes beyond meeting the demands of ever-evolving healthcare practices. Be an advocate for meaningful change in the industry. At the heart of our curriculum is the philosophy that fosters "Person-centred Care with Humanistic Values." Come develop personal competence, a lifelong thirst for learning, transformative leadership, compassion and a spirit of leadership. Equip yourself with the knowledge to be a leading practitioner and develop the maturity to embrace the human side of healthcare.

Accreditations and Recognitions

Our MBBS degree is recognised for Credit Transfer to 22 Partner Universities across the United Kingdom, Ireland, Australia, and New Zealand. It is also recognised by the Malaysian Medical Council (MMC) and accredited by the Malaysian Qualifications Agency (MQA). It is listed in the World Directory of Medical Schools and recognised by the following:

1. Maldives Medical and Dental Council
2. Pakistan Medical and Dental Council
3. Sri Lanka Medical Council
4. The Medical Council of Thailand

Bachelor in Medical Sciences (Hons)

Scan the QR code for programme details.

Duration | 3 years
Programme to be completed locally.

Push your boundaries

Upon completing Phase 1 of the MBBS journey, you will have the exciting opportunity to extend your academic adventure by dedicating two additional semesters to a research project and dissertation. Throughout this transformative phase, your mentors will guide and support you in crafting a research proposal, design, and execute methodologies using cutting-edge scientific tools, analyse data, and present your findings.

Empowering purpose-driven leaders in Medicine

1:8

Faculty to student ratio for MBBS programme

69%

Faculty members are registered with local and/or international accredited associations and professional bodies.

Leading-edge research

Your exposure to research and its benefits begins early, preparing you for the coming years and the possibility of pursuing further degrees. Get access to cutting-edge and industry-relevant research projects, along with the valuable opportunity of working with the University's most learned and experienced researchers.

“What makes IMU stand out for me is the faculty's commitment to providing supportive mentorship, embracing diversity, and integrating technology for a comprehensive education.

Bharathi Karthikeyan

Student,
Bachelor of Medicine and Bachelor of Surgery (MBBS)

Being a healthcare practitioner goes beyond the classroom. Apart from world-class curriculum and lecturers, let IMU's holistic approach inspire you to innovate, adapt, and get a head start. Your journey of achievement and pushing boundaries begins here.

Innovative teaching

Develop your abilities for tomorrow through problem and workplace-based learning in healthcare-related industries and premises. Simulation skill labs, virtual patient scenarios, team-based learning and flipped classrooms will enhance lifelong learning experiences. You will also receive clinical exposure and experience in clinical practices from as early as year 1.

Additionally, we seamlessly combine medical sciences with disciplines like genetics, immunology, and biotechnology to provide a robust foundation designed to equip you for a diverse career path in graduate entry medical school.

Integration of technology

Be future ready through the incorporation of cutting-edge technology, Virtual Reality, Augmented Reality, and state-of-the-art Clinical Skills and Simulation Centre designed to develop you in a high-tech learning environment.

Why settle for a glimpse when you can get a full-fledged entry into the world of hands-on experimentation? Let us take you beyond studying science. Navigate a real-world scientific environment that fuels your curiosity and transforms learning into an immersive experience.

“There are specific features and activities within the programme that I genuinely appreciate, including the teaching methods, utilisation of labs, clinical skills simulation, and the resources available at the library.

Wong Ming Hui

Student, Bachelor in Medical Sciences (Hons)

Your future begins here

Global medical experiences

Why wait till graduation for international exposure? Access opportunities and options for overseas elective placements, mobility programmes, student exchange programmes, right from the very beginning. Let them fuel your curiosity and ignite your resolve to broaden your horizons globally. We have 22 Partner Universities across Australia, Ireland, New Zealand and United Kingdom.

IMU offers a credit transfer programme with Partner Universities around the globe, which provides plenty of opportunities to build connections and apply what we learn in different countries, helping us gain new perspectives of medicine in different cultures, traditions and healthcare systems.

Ahmad Nizam Bin Adnan

Student,
Bachelor of Medicine and Bachelor of Surgery (MBBS)

I believe this programme puts my career plans into motion perfectly with its multiple class modes, numerous facilities and partner medical school track.

Ayra Elysa Binti Soehardy

Student,
Bachelor of Medicine and Bachelor of Surgery (MBBS)

Step into a world of possibilities

100%

Housemanship granted within 6 months (2023)

Be a doctor who dares ventures beyond traditional patient care. As IMU nurtures your inquisitiveness, you will be poised to embark on new opportunities. Dive into full-time patient care, venture into teaching, research, hospital management or even explore the dynamics of shaping healthcare policies. You will also have the choice of setting up your own practice, work in a private/public hospital, or even play a role in government health initiatives.

Let us fuel your desire to look further and be the architect of your own success, whether your passion lies in private practice, medical entrepreneurship, policy making, academia and driving research to new heights.

With your newly acquired skill sets, including scientific research methodology, data analysis, application of information technology and scientific writing, you can increase your chances in hospitals, clinics, and government bodies. Beyond that, academia awaits, where you can further your studies and build your career in education, including IMU.
